Professional Diversity Network, Inc.

ANNUAL MEETING

To Be Held on November 10, 2014

THE ANNUAL MEETING

THE ENCLOSED PROXY IS SOLICITED BY AND ON BEHALF OF THE BOARD OF DIRECTORS (THE “**BOARD**”) OF PROFESSIONAL DIVERSITY NETWORK, INC., A DELAWARE CORPORATION (“**PROFESSIONAL DIVERSITY NETWORK**” OR THE “**COMPANY**”), FOR USE AT PROFESSIONAL DIVERSITY NETWORK’S 2014 ANNUAL MEETING OF STOCKHOLDERS (THE “**ANNUAL MEETING**”) TO BE HELD ON NOVEMBER 10, 2014 AT 9:00 A.M., CENTRAL TIME, AT THE OFFICES OF THE COMPANY, 801 W. ADAMS STREET, CHICAGO, ILLINOIS 60607, AND AT ANY AND ALL ADJOURNMENTS OR POSTPONEMENTS THEREOF, FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF ANNUAL MEETING OF STOCKHOLDERS.

This proxy statement, the accompanying proxy card or voting instruction card and our 2013 Annual Report to Stockholders were first made available to stockholders on or about October 9, 2014.

Record Date and Outstanding Shares

The Board has fixed the close of business on September 26, 2014 as the record date for the Annual Meeting (the “**Record Date**”). Only holders of record of the Company’s common stock, \$0.01 par value per share (“**Common Stock**”), at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted upon at the Special Meeting. As of the close of business on the Record Date, there were 12,619,690 shares of Common Stock outstanding and entitled to vote.

Quorum and Vote Required

Quorum. The holders of record of a majority of the aggregate voting power of the Common Stock issued and outstanding and entitled to be voted, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment or postponement thereof. In the event there are not sufficient shares present to establish a quorum or to approve proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

Vote Required. Holders of Common Stock are entitled to one vote for each share held as of the Record Date on all matters to be voted on. The Company’s Bylaws provide that, except as otherwise provided by applicable law, the rules of the Nasdaq Stock Market, the Company’s Certificate of Incorporation or the Bylaws, all matters will be decided by the vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on the matter. In the election of directors (Proposal 1), the Board will be elected by a plurality of the voting power of the Common Stock represented in person or by proxy and entitled to vote at the Annual Meeting. Each stockholder is entitled to vote in favor or withhold his, her or its vote with respect to each individual nominee. The affirmative vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on such proposal is required to approve Proposal 2 (Accounting Firm Ratification Proposal). None of the proposals are contingent upon the approval of any other proposal.

Abstentions. Abstentions will be counted for purposes of determining a quorum at the Annual Meeting. An abstention for any proposal, other than Proposal 1 (Election of Directors), will have the same effect as a vote against such proposal. With respect to Proposal 1, abstentions are not considered votes cast and therefore will have no effect on the outcome of the election of directors.

Broker Discretionary Voting. If your shares are held in a brokerage account, by a bank or other nominee, you are considered the beneficial owner of shares held in “street name,” and the proxy materials are being sent to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote. If you do not give instructions to your brokerage firm or bank, it will still be able to vote your shares with respect to “discretionary” proposals, but will not be allowed to vote your shares with respect to “non-discretionary” proposals. The Company expects that Proposal 2 (Accounting Firm Ratification Proposal) will be considered to be a discretionary proposal on which banks and brokerage firms may vote. The Company expects that all other proposals being presented to stockholders at the Annual Meeting will be considered to be non-discretionary items on which banks and brokerage firms may not vote. Therefore, if you do not instruct your broker or bank regarding how you would like your shares to be voted, your bank or brokerage firm will not be able to vote on your behalf with respect to these proposals. In the case of these non-discretionary items, the shares will be treated as “broker non-votes.” Broker non-votes are shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter. Your failure to give instructions to your bank or broker will not affect the outcome of Proposal 1 because broker non-votes are not considered votes cast, nor the outcome of Proposal 2 because Proposal 2 requires the affirmative vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on these proposals and broker non-votes will not be deemed “entitled to vote on the proposal” and therefore broker non-votes are not counted in the vote for these proposals.

Shares Not Present in Person or by Proxy at the Annual Meeting. Shares not present in person or by proxy at the Annual Meeting will not be counted for purposes of determining a quorum at the Annual Meeting.

Expenses of Proxy Solicitation

Officers, directors and other employees of the Company may solicit proxies in person or by regular mail, electronic mail, facsimile transmission or personal calls. These persons will receive no additional compensation for solicitation of proxies, but may be reimbursed for reasonable out-of-pocket expenses.

The Company will pay all of the expenses of soliciting proxies to be voted at the Annual Meeting. Banks, brokerage firms and other custodians, nominees or fiduciaries will be requested to forward soliciting material to their principals and to obtain authorization for the execution of proxies. They will be reimbursed for their reasonable out-of-pocket expenses incurred in that regard.

Voting

Your vote is important. You may vote on the Internet, by telephone, by mail or by attending the Annual Meeting and voting by ballot, all as described below. If you vote by telephone or on the Internet, you do not need to return your Notice, proxy card or voting instruction card. Telephone and Internet voting facilities are available now and will be available 24 hours a day until 11:59 p.m., Eastern Time, on November 7, 2014.

Vote on the Internet

If you have Internet access, you may submit your proxy by going to www.proxyvote.com and following the instructions provided on the secure website. If you vote on the Internet, you do not have to mail in a proxy card.

Vote by Telephone

You can also vote by telephone by calling **1-800-690-6903**. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. If you vote on by telephone, you do not have to mail in a proxy card.

Vote by Mail

If you choose to vote by mail, complete, sign and date your proxy card, and return it to the Company’s Secretary. Please allow sufficient time for mailing if you decide to vote by mail.

Vote at the Annual Meeting

The method or timing of your vote will not limit your right to vote at the Annual Meeting if you attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, you must obtain a legal proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Street name holders may submit a proxy by telephone or the Internet if their bank or broker makes these methods available, in which case the bank or broker will enclose related instructions with this proxy statement. If you submit a proxy by telephone or via the Internet you should not return your proxy card. If you hold your shares through a bank, broker or other nominee you should follow the voting instructions you receive from your bank, broker or other nominee.

Revocability of Proxy

If you are the holder of record for your shares, you may revoke your proxy at any time before it is exercised at the Annual Meeting by taking either of the following actions: (i) delivering to the Company’s Secretary a revocation of the proxy or a proxy relating to the same shares and bearing a later date prior to the vote at the Annual Meeting; or (ii) attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, by itself, revoke a proxy. Stockholders may also revoke a prior proxy by providing later voting instructions for voting of a later proxy prior to 11:59 P.M. Eastern Time the night of the last business day, November 7, before the date of the Annual Meeting.

Appraisal Rights

Stockholders have no appraisal rights with respect to any of the matters to be voted upon at the Annual Meeting.

Recommendation of the Board of Directors

The Board of Professional Diversity Network recommends that Professional Diversity Network stockholders vote **FOR** the election of each nominee for director (Proposal 1) and **FOR** Proposal 2 (Accounting Firm Ratification Proposal).

As the National Volunteer for the American Heart Association, Ms. Jones led NAPW in its efforts to help raise awareness of heart disease during "Heart Month," helping to raise millions of dollars for much needed research and community outreach. Ms. Jones is well qualified to serve as a director on the Company's Board due to her substantial leadership and networking abilities, as well as her in-depth knowledge of the business of NAPW, now a part of the Company.

Mr. Marovitz is an experienced operational and theoretical thought leader regarding Internet companies. We believe that as a member on our Board, he brings valuable advice relating to Internet activities, user experience and online marketing to the Company.

From 2005 to 2010, Mr. Pemberton was Chief Diversity Officer and Vice-President of Diversity and Inclusion at Monster Worldwide.com. Mr. Pemberton received a B.A. in Political Science from Boston College in 1989. We believe Mr. Pemberton is a respected authority on diversity and inclusion matters in the workplace. We believe that as a member on our Board, he adds value by providing the Board with insight and experience he has gained from his service as a Chief Diversity Officer at two public companies.

Matthew B. Proman founded NAPW in October 2007 and has served as its Chairman and Chief Executive Officer until NAPW's merger with a subsidiary of the Company. Mr. Proman's "hands-on," entrepreneurial approach at the Company's NAPW subsidiary includes his day-to-day operational leadership of NAPW's sales, technology and marketing functions. Mr. Proman previously founded and led Cambridge Publishing Co., a publishing company specializing in business-to-business and business-to-consumer networking, from 2002 to 2007. Mr. Proman also devotes considerable time to a variety of charities such as Mount Sinai Hospital in New York City, the National Diabetes Foundation and the Jack Martin Foundation for Terminally Ill Children. Mr. Proman will bring extensive direct mail marketing industry knowledge to the combined company and a deep background in business-to-business, membership services and career development networking. His previous service as Chairman and Chief Executive Officer of NAPW will create a critical link between the Board and the acquired NAPW business.

Andrea Sáenz has been a director since the consummation of our initial public offering in March 2013. Since May 2011, she has served as Chief of Staff for the Chicago Public Schools. From August 2010 to May 2011, Ms. Sáenz was Board Resident at the U.S. Department of Education. Ms. Sáenz began her career at Congreso de Latinos Unidos, an organization focusing on Latino-American communities. She holds a B.A. in Latin American studies from Scripps College and a Master's Degree in government administration from the University of Pennsylvania. We believe Ms. Sáenz is an accomplished leader in the field of professional and educational advancement with expertise in educational and career access for minorities, with particular experience in the Not-For-Profit and government sectors, and as such, is a valuable asset to the Board.

Randi Zuckerberg is the Founder and Chief Executive Officer of Zuckerberg Media, a boutique marketing firm and production company working with high profile organizations and Fortune 500 companies such as The Clinton Global Initiative, Cirque du Soleil, Condé Nast and PayPal. She is the author of two books, *Dot Complicated*, a New York Times Best Seller, and *Dot*, a children's picture book. Ms. Zuckerberg also works as a television producer and contributor. In 2011, she was nominated for an Emmy Award for her innovative blend of online/TV coverage of the U.S. mid-term elections. In 2012, she was the executive producer for a TV docu-series on Bravo about Silicon Valley's startup culture, and she regularly appears as a contributor for *The Today Show* and *The Katie Couric Show* to discuss life in the digital age. From 2005 to 2011, Ms. Zuckerberg served as Director of Market Development and Spokeswoman for Facebook, Inc., one of the largest social media companies. Ms. Zuckerberg's experience in creative marketing, past role at a public company in a growth industry and participation in NAPW conferences makes her well qualified to serve on the Board.

Required Vote

In order to be elected to the Board, each nominee must receive a plurality of the voting power of the Common Stock present in person or represented by proxy at the Annual Meeting. Stockholders may only vote for or withhold their votes for the election of the nominees to the Board. Votes that are withheld and broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum. Votes that are withheld will be considered votes cast but abstentions and broker non-votes will have no effect on the election of directors. Unless instructions to the contrary are specified, as permitted by applicable law and the rules of the Nasdaq Stock Market, the proxy holders will vote the proxies received by them "FOR" each of the director nominees.

Recommendation of the Board of Directors

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE ELECTION OF ALL OF THE NOMINEES AS DIRECTORS.

CORPORATE GOVERNANCE

Meetings and Committees of the Board of Directors

The Board has constituted an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. The Audit Committee was established for the purpose of overseeing the Company’s accounting and financial reporting processes and audits of the Company’s financial statements. The Audit Committee met on four occasions in 2013 and operates under a charter approved by the Board. The Audit Committee’s primary functions are:

- to assist the Board with the oversight of the Company’s financial reporting process, accounting functions and internal controls; and
- the appointment, compensation, retention and oversight of the work of any registered public accounting firm employed by the Company for the purpose of preparing or issuing an audit report or related work.

The Audit Committee currently consists of Barry Feierstein, Daniel Marovitz and Stephen Pemberton. The Audit Committee meets periodically with the Company’s independent registered public accounting firm, both with and without management present. The Board has determined that Mr. Marovitz is an “audit committee financial expert” within the meaning of Item 407 of Regulation S-K under the Exchange Act. A copy of the Audit Committee charter is posted and available on the Corporate Governance link of the Investor Relations section of the Company’s website, www.prodivnet.com. Information on the Company’s website is not incorporated by reference in this proxy statement.

Compensation Committee. The Compensation Committee, which met on four occasions in 2013 and operates under a charter approved by the Board, is responsible for, among other things:

- annually reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer’s performance in light of those goals and objectives, and recommending to the Board the Chief Executive Officer’s overall compensation levels based on this evaluation;
- annually reviewing and approving the annual base salaries and annual incentive opportunities of the Chief Executive Officer and the other executive officers;
- reviewing and approving the following as they affect the Chief Executive Officer and the other executive officers: (a) all other incentive awards and opportunities, including both cash-based and equity-based awards and opportunities; (b) any employment agreements and severance arrangements; and (c) any change-in-control agreements and change-in-control provisions affecting any elements of compensation and benefits; and
- monitoring and evaluating matters relating to the compensation and benefits structure of the Company as the Compensation Committee deems appropriate, including: (a) providing guidance to senior management on significant issues affecting compensation philosophy or policy and (b) evaluating whether the risks arising from the Company’s compensation policies and practices for its employees would be reasonably likely to have a material adverse effect on the Company.

The Compensation Committee currently consists of Barry Feierstein, Daniel Marovitz and Stephen Pemberton. The Compensation Committee also has authority to delegate its responsibilities to a subcommittee. The processes of the Compensation Committee and the role of the Chief Executive Officer and compensation consultants in determining or recommending the amount or form of executive or director compensation is discussed under the headings “*Executive Compensation – Compensation Consultants*” in this proxy statement.

A copy of the Compensation Committee charter is posted and available on the Corporate Governance link of the Investor Relations section of the Company's website, www.prodivnet.com. Information on the Company's website is not incorporated by reference in this proxy statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met on four occasions in 2013 and operates under a charter approved by the Board, is responsible for, among other things:

- leading the search for individuals qualified to serve as members of the Board and conducting the appropriate inquiries with respect to such persons;
- evaluating the size and composition of the Board and its committees and recommending any changes to the Board;
- reviewing the qualifications of, and making recommendations regarding, director nominations submitted to the Company by shareholders; and
- reviewing the Board's committee structure and recommending to the Board for its approval directors to serve as members of each committee; and
- reviewing and recommending committee slates annually and recommending additional committee members to fill vacancies as needed.

The Nominating and Corporate Governance Committee currently consists of Barry Feierstein, Daniel Marovitz and Stephen Pemberton. A copy of the charter of the Nominating and Corporate Governance Committee is posted and available on the Corporate Governance link of the Investor Relations section of the Company's website, www.prodivnet.com. Information on the Company's website is not incorporated by reference in this proxy statement.

Attendance at Board and Committee Meetings

During the fiscal year ended December 31, 2013, the Board held a total of nine meetings. Each member of the Board, other than Andrea Sáenz, attended 75% or more of the meetings of the Board and of the committees of which the director was a member. The Company does not have a policy regarding director attendance at Annual Meetings of stockholders, however, all directors are strongly encouraged to attend.

Director Independence

Our Board has reviewed the materiality of any relationship that each of our directors has with us, either directly or indirectly. Based on this review, our board has determined that Messrs. Brazile, Marovitz, Pemberton, and Feierstein and Ms. Sáenz and Ms. Zuckerberg are "independent directors" as defined by Rule 5605(a)(2) of the Marketplace Rules of the Nasdaq Stock Market. We do not have any oral or written agreement with any company including, Monster Worldwide and Apollo Group, for representatives from any company to serve on our Board.

Compensation Committee Interlocks and Insider Participation

Barry Feierstein, Daniel Marovitz and Stephen Pemberton served as the members of the Compensation Committee during the Company's last completed fiscal year. None of the Company's executive officers served as a member of the compensation committee or board of directors of any other entity that has an executive officer serving as a member of the Company's Board or Compensation Committee.

Board Leadership Structure

The Board does not have a policy requiring that the roles of Chief Executive Officer and Chairman of the Board be separate. The Board believes that the Company and its stockholders benefit when the Board is free to determine the most appropriate leadership structure in light of the experience, skills and availability of directors and the Chief Executive Officer as well as other circumstances. Currently, Mr. Kirsch serves as the Chairman of the Board and the Chief Executive Officer. The Board believes this is the most appropriate structure for the Company at this time because it makes the best use of the experience, skills and availability of Mr. Kirsch. Additionally, because six of the Company's nine Board members have been determined by the Board to be "independent," the Board believes that its current structure provides sufficient independent oversight of management given the Company's current size and relative lack of complexity, and therefore, the Board has not designated a lead independent director.

Board's Role in Management of Risk

The Company faces numerous risks more fully described in the Company's annual and quarterly reports filed with the Securities and Exchange Commission (the "SEC"). The Company's management bears responsibility for the day-to-day management of risks the Company faces and for communicating the most material risks to the Board and its committees. The Board, as a whole and through its committees, is responsible for company-wide oversight of risk management. The Board and its committees perform their risk management function principally through the receipt of regular reports from management and discussions with management regarding risk assessment and risk management. In its risk oversight role, the Board is responsible for satisfying itself that the risk management processes described and implemented by management are adequate and functioning as designed.

Board Nominee Process

The Board has adopted a Nominating and Corporate Governance Committee Charter, which includes the Company's general director nomination policies.

The Nominating and Corporate Governance Committee (the "Nominating Committee") believes that it is in the best interest of the Company and its stockholders to obtain highly-qualified candidates to serve as members of the Board. In addition to any past or future policies adopted by the Board, with respect to director nominations, the Nominating Committee will consider any additional factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable size, experience as an executive with a publicly traded company and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

The Nominating Committee Charter specifically requires the Nominating Committee to develop a Board that reflects diversity among its members. The Nominating Committee is able to assess the effectiveness of the Company's policy regarding diversity through its regular, required monitoring of the composition of the Board and its committees. Further, in connection with such regular monitoring, the Nominating Committee Charter specifically requires the Nominating Committee to determine whether it may be appropriate to add individuals with different backgrounds or skills to the Board.

The Nominating and Corporate Governance Committee may use multiple sources for identifying director candidates, including its own contacts and referrals from other directors, members of management, the Company's advisors and executive search firms. The Nominating and Corporate Governance Committee will also consider director candidates recommended by stockholders in accordance with the procedures governing such recommendations in the Company's bylaws and will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources.

Stockholder Communication with the Board of Directors

Stockholders may communicate with one or more directors or the Board as a whole by sending written communications addressed to such person or persons to the Secretary, Professional Diversity Network, Inc., 801 W. Adams Street, Suite 600, Chicago, Illinois 60607. All communications will be compiled by the Secretary and relayed to the applicable director or directors.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our corporate website at www.prodivnet.com. Any amendment to, or waiver from, a provision of such code of ethics will be posted on our website. Information on the Company's website is not incorporated by reference in this proxy statement.

Certain Relationships and Related Party Transactions

The following is a summary of transactions for the past two fiscal years to which we have been a party in which the amount involved exceeded the lesser of \$120,000 or 1% of the average of our total assets at December 31, 2012 and December 31, 2013, and in which any of our directors, executive officers or beneficial holders of more than 5% of our capital stock had or will have a direct or indirect material interest, other than compensation arrangements that are described under the section of this Annual Report entitled "*Executive Compensation*."

Equity Issuances to Directors, Executive Officers and 5% Stockholders

We did not issue any common stock during the past two fiscal years to our directors, executive officers or holders of more than 5% of our capital stock, except in connection with (i) the reorganization of the Company from a limited liability company into a corporation and (ii) the merger with NAPW.

Prior to the consummation of our initial public offering, the Company effected a reorganization pursuant to which each holder of an outstanding membership interest in the predecessor limited liability company contributed to the Company all of the right, title and interest in and to such holder's entire ownership interest in the predecessor limited liability company in exchange for a proportionate number of shares of Common Stock of the Company immediately after conversion into a Delaware corporation.

Upon consummation of our initial public offering, Ferdinando Ladurini, Daniel Ladurini and James R. Kirsch entered into a debt exchange agreement with the Company whereby our three outstanding promissory notes in the principal amounts of \$1,341,676, \$142,000 and \$37,143 plus accrued interest owed to them, respectively, were exchanged for shares of Common Stock at a price per share equal to the offering price (the “**Note Conversion**”).

Prior to the consummation of our initial public offering, Ladurini Family Trust entered into option agreements (the “**Ladurini Options**”) with each of James Kirsch, our Chief Executive Officer and Chairman of the Board, and Daniel Marovitz, a member of our Board, pursuant to which such directors and officers may purchase, during a ten year exercise period, from the Ladurini Family Trust up to 10% of the shares of Common Stock held by the Ladurini Family Trust, at a price per share equal to the initial offering price of \$8.00 per share. As of December 31, 2013, none of those options have been exercised.

Agreements with Directors and Executive Officers

Pursuant to the terms of an Investment Agreement, Mr. Kirsch received additional compensation payments equal to 30% of the principal payments made by the Company under the promissory notes payable to Ferdinando Ladurini in the principal amount of \$1,341,676. Additional compensation payments are recorded to expense in the statements of comprehensive income and are reported as income to the member of the limited liability company operating agreement, in this case, Mr. Kirsch. Prior to the commencement of our initial public offering, the Company obtained a binding agreement from our noteholders to convert their outstanding debt into equity in connection with the Company’s reorganization and initial public offering. As part of the reorganization, such debt was converted into equity and no further payments to Mr. Kirsch will be made pursuant to the agreement.

In 2010, Mr. Kirsch purchased a condominium apartment in Miami, Florida, which was primarily used by the Company and was financed by obtaining a bank loan providing initially for interest only payments. The Company paid for the down payment and earnest money on the apartment in the amount of \$221,679. In 2012, the Company paid Mr. Kirsch \$263,109 in additional compensation payment to compensate Mr. Kirsch for additional income taxes resulting from the amounts paid in 2010 for the condominium apartment in Miami, Florida. The Company discontinued paying the condominium costs prior to closing of the Company’s initial public offering. Please see “*Executive Compensation*” for information regarding the employment agreements with, and compensation of, our executive officers.

The Company currently leases two automobiles for the business use of Matthew Proman, formerly the sole shareholder and principal executive officer of NAPW, Inc, which automobiles are owned by him. The lease payments are based, in turn, on Mr. Proman’s car loan payments, limited to reflect his proportionate use of the automobiles for business purposes. NAPW, Inc. paid approximately \$54,150 and \$91,800 in lease payments for the automobiles to Mr. Proman during the fiscal year ended December 31, 2013 and during the six months ended June 30, 2014, respectively. The Company anticipates terminating the lease payments, housing allowance payments and life and disability insurance payments.

Please see “*Executive Compensation*” for information regarding the employment agreements with, and compensation of, our executive officers.

Merger with NAPW

On September 24, 2014 (the “**Closing Date**”), the Company closed its merger transaction with NAPW Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (“**Merger Sub**”), NAPW, Inc., a New York company (“**NAPW**”), and Mr. Proman, then the sole shareholder of NAPW, pursuant to an Agreement and Plan of Merger, dated as of July 11, 2014 (the “**Merger Agreement**”). Mr. Proman is now an executive officer and member of the Company’s Board. In accordance with the terms of the Merger Agreement, on the Closing Date, all shares of NAPW common stock issued and outstanding immediately prior to the effective time of the Merger were converted into and became the right to receive 5,110,975 shares of our Common Stock, which were issued to Proman as sole shareholder of NAPW. In addition, pursuant to separate subscription agreements, 959,096 shares of our Common Stock were issued to Ms. Jones, then NAPW’s President and National Spokeswoman, and 239,774 shares were issued to Mr. Wesser, then NAPW’s General Counsel. Ms. Jones is now an executive officer of the Company and on the Board, and Mr. Wesser is also now an executive officer of the Company.

Additionally, at the effective time of the merger, the Company, as additional consideration, paid to Proman, in cash, \$3,555,000 and issued to Proman (i) a promissory note in the original principal amount of \$445,000, (ii) an option to purchase 183,000 shares of the Company’s Common Stock at a price of \$3.45 per share, (iii) a warrant to purchase 50,000 shares of the Company’s Common Stock at a price of \$4.00 per share and (iv) a warrant to purchase 131,250 shares of the Company’s Common Stock at a price of \$10.00 per share.

The promissory note for \$445,000 issued by the Company to Mr. Proman (the “**Promissory Note**”) on the Closing Date will mature on August 15, 2015 and accrues interest at a fixed rate of 0.35% per annum payable quarterly on each of November 15, 2014, February 15, 2015, May 15, 2015 and August 15, 2015. However, if NAPW (on a stand-alone basis) on any payment date fails to meet certain performance criteria as of the end of the fiscal quarter then most recently ended with respect to gross revenue and net cash from operations, then the Company’s obligation to make payment of principal and accrued interest on that date will be deferred to the next payment date that follows the next fiscal quarter end during which NAPW is able to meet such performance criteria, and the maturity date shall be correspondingly extended until such time as the note may be repaid in full. If NAPW (on a stand-alone basis) on any payment date, as of the end of the fiscal quarter then most recently ended, satisfies the gross revenue performance criteria, but fails to satisfy the cash flow performance criteria, then the Company will only be required to make payments of interest and principal to the extent the Company’s excess cash flow permits. The Promissory Note is not convertible or exchangeable for shares of the Common Stock, is unsecured and may be prepaid, in full or in part, at any time by the Company without premium or penalty. The amounts owing under the Promissory Note may be accelerated upon the occurrence of an event of default.

Also, at the effective time of the merger, as a condition to the closing of the merger, Messrs. Proman and Wesser, Ms. Jones and the Company entered into a registration rights agreement (the “**Registration Rights Agreement**”), pursuant to which the Company is required, not later than nine months following the Closing Date, to file a shelf registration statement on Form S-3 with the SEC with respect to the shares of Common Stock issued in connection with the Merger. The Company is further required to use its best efforts to have such registration statement declared effective not later than 12 months following the Closing Date and kept effective until the earlier of three years thereafter or when each of the parties to the Registration Rights Agreement (other than the Company) can sell all of his or her shares without the need for current public information or other restriction pursuant to Rule 144 under the Securities Act of 1933, as amended. Under the terms of the Registration Rights Agreement, each of Messrs. Proman and Wesser and Ms. Jones (collectively, the “**NAPW Affiliates**”) agrees not, without the consent of the Company, to offer to sell, sell or otherwise dispose of, or encumber any shares of the Company’s Common Stock received by such person in connection with the merger during the 12 months following the Closing Date, except under certain circumstances.

Under the terms of the Registration Rights Agreement, the Company will bear all SEC registration and filing fees, printing and mailing expenses, fees and disbursements of counsel and accountants for the Company and all expenses related to listing the shares on the NASDAQ Capital Market, while the NAPW Affiliates will bear all fees and disbursements of counsel for all underwriters, brokers and dealers engaged in connection with the distribution of such shares and any discounts, commissions and fees of such underwriters, brokers and dealers, FINRA filing fees and expenses, legal fees and disbursements and other expenses of complying with state securities or blue sky laws and the fees and disbursements of legal counsel for the NAPW Affiliates. The Registration Rights Agreement also places indemnity obligations on each of the Company, to indemnify the NAPW Affiliates under certain circumstances, and the NAPW Affiliates, to indemnify the Company under certain circumstances.

Agreements with 5% Stockholders

Other than as disclosed in the sections above entitled “*Equity Issuances to Directors, Executive Officers and 5% Stockholders*,” “*Agreements with Directors and Executive Officers*” and “*Merger with NAPW*” there are no agreements between or among the Company and any holder of more than 5% of our capital stock.

Policy Regarding Review, Approval or Ratification of Related Party Transactions

The charter of the Company’s Audit Committee sets forth the Company’s policies and procedures for the review, approval or ratification of transactions in which the Company is a participant and the amount exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. The Audit Committee charter expressly states that the review and approval of such transactions is among the responsibilities of the Audit Committee, unless otherwise delegated to another committee of the Board consisting solely of independent directors. The Audit Committee is authorized to engage independent counsel and other advisers as it determines is necessary to carry out its duties, including with respect to its review of related party transactions. There are no additional policies stating the standards required to be met for such transactions to be approved; accordingly, the Audit Committee will act within its discretion, subject to its fiduciary and other duties, in deciding whether to approve any related party transaction.

EXECUTIVE COMPENSATION

Overview

In this section, we describe our compensation programs and policies and the material elements of compensation for the year ended December 31, 2013 for our Chairman and Chief Executive Officer, and our most highly compensated executive officers, other than our Chief Executive Officer, whose total compensation was in excess of \$100,000. Other than as disclosed below, we did not have any other employee whose compensation was such that executive compensation disclosure would be required but for the fact that they were not executive officers as of the end of the last fiscal year. We refer to all individuals whose executive compensation is disclosed in this proxy statement as our “**named executive officers.**”

Our Compensation Committee is responsible for reviewing and evaluating the components of our compensation programs, including employee base salaries and benefit plans. The Compensation Committee will provide advice and recommendations to the Board on such matters. See “*Committees of the Board of Directors — Compensation Committee*” for further details on the role of the compensation committee.

Compensation Consultants

The Company and the Compensation Committee may, from time to time, directly retain the services of consultants and other experts to assist the Company or the Compensation Committee in connection with executive compensation matters. During the fiscal year ended December 31, 2013, the Company engaged the services of Barnes & Thornburg LLP, a national law firm (the “**Compensation Consultant**”), to provide recommendations regarding the Company’s executive compensation programs and policies. The Compensation Consultant performed services on behalf of the Company and was not engaged directly by the Compensation Committee; however, the Compensation Committee was provided with materials prepared by the Compensation Consultant, and utilized such information in its executive compensation-related deliberations and decisions. Mr. Kirsch, the Company’s Chief Executive Officer, participated in the selection of the Compensation Consultant, and Mr. Mecklenburger, the Company’s Chief Financial Officer, regularly interacted with the Compensation Consultant as well.

The Compensation Committee has considered whether the work of the Compensation Consultant as a compensation consultant has raised any conflict of interest, taking into account the following factors: (i) the amount of fees from the Company paid to the Compensation Consultant as a percentage of its total revenue; (ii) the provision of other services to the Company by the Compensation Consultant; (iii) the Compensation Consultant’s policies and procedures that are designed to prevent conflicts of interest; (iv) any business or personal relationship of the individual compensation advisers with any member of the Compensation Committee; (v) any business or personal relationship of the Compensation Consultant or the individual compensation advisers employed by the Compensation Consultant with any of the Company’s executive officers; and (vi) any of the Company’s stock owned by the individual compensation advisers employed by the Compensation Consultant. In taking into consideration the foregoing factors, the Compensation Committee considered the fact that, periodically, the Company’s management also receives legal advice and other services from the Compensation Consultant that are not directly related to executive compensation matters for which the Compensation Consultant is remunerated by the Company. Based on its assessment, the Compensation Committee has concluded that the Compensation Consultant is independent and that the work of the Compensation Consultant did not raise any conflict of interest.

Mr. Kirsch’s and Mr. Martinez’s employment agreements were for one year, with employment on an at-will basis thereafter. The agreements also provide for a discretionary annual bonus and benefits provided to other employees. If the Company terminates either named executive officer without cause (as defined in the employment agreement) but not due to death or disability, the Company will pay as severance continued salary for six (6) months to the terminated executive upon delivery of a release of claims against the Company. No severance payment will be paid if termination is for cause or if the executive resigns. During each named executive officer’s employment and for two (2) years thereafter, each named executive officer will agree not to disclose confidential information and will be subject to restrictions on competing or interfering with our business and business relationships and soliciting the services of our employees or independent contractors.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is composed of three directors, each of whom is an independent director as defined by applicable law and Rule 5605(a)(2) of the Marketplace Rules of the Nasdaq Stock Market. The Audit Committee operates under a written charter adopted by the Board.

Management is responsible for the Company's internal controls and the financial reporting process. Marcum LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report on those financial statements. The Audit Committee, among other things, is responsible for monitoring and overseeing these processes and is directly responsible for the appointment, compensation, retention and oversight of the Company's independent auditors.

The Audit Committee has met and held discussions with management and Marcum LLP regarding the Company's audited financial statements, the adequacy of the Company's internal controls, the results of the audit, the overall quality of the Company's financial reporting and any other matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board. The Company's independent auditors also provided to the Audit Committee the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013.

The Audit Committee of the Board furnished the foregoing report on its activities during the fiscal year ended December 31, 2013. The report is not deemed to be "soliciting material" or "filed" with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed incorporated by reference into any prior or subsequent filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates the report by reference.

SUBMITTED BY THE AUDIT COMMITTEE

Barry Feierstein

Daniel Marovitz

Stephen Pemberton

Independent Registered Public Accounting Firm

The audit committee retained Marcum LLP as independent registered public accountants to audit the Company's consolidated financial statements for the fiscal years ended December 31, 2013 and 2012.

The following table summarizes fees for professional services rendered to the Company by Marcum LLP for the fiscal years ended December 31, 2013 and 2012, respectively.

Fees:	2013	2012
Audit Fees	\$115,000	\$97,000
Audit-Related Fees	144,450	61,500
Tax Fees	---	---
All Other Fees	---	---
Total	\$259,450	\$158,500

Audit Fees. For the fiscal years ended December 31, 2013 and 2012, the "Audit Fees" reported above were billed by Marcum LLP for professional services rendered for the audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements and for services normally provided by the independent auditors in connection with statutory and regulatory filings and engagements.

Audit-Related Fees. Audit related fees for the fiscal year ended December 31, 2013 and 2012 relate to the review and consent of Marcum LLP for our Registration Statements on Form S-1.

Tax Fees. The Company did not pay any tax related fees to Marcum LLP in 2013 or 2012.

All Other Fees. The Company did not pay any other fees to Marcum LLP in 2013 or 2012.

Pre-Approval Policy and Independence

The Audit Committee has a policy requiring the pre-approval of all audit and permissible non-audit services provided by the Company's independent auditors. Under the policy, the Audit Committee is to specifically pre-approve any recurring audit and audit-related services to be provided during the following fiscal year. The Audit Committee also may generally pre-approve, up to a specified maximum amount, any nonrecurring audit and audit-related services for the following fiscal year. All pre-approved matters must be detailed as to the particular service or category of services to be provided, whether recurring or non-recurring, and reported to the audit committee at its next scheduled meeting. Permissible non-audit services are to be pre-approved on a case-by-case basis. The Audit Committee may delegate its pre-approval authority to any of its members, provided that such member reports all pre-approval decisions to the audit committee at its next scheduled meeting. The Company's independent auditors and members of management are required to report periodically to the Audit Committee the extent of all services provided in accordance with the pre-approval policy, including the amount of fees attributable to such services.

In accordance with Section 10A of the Exchange Act by Section 202 of the Sarbanes-Oxley Act of 2002, the Company is required to disclose the approval by the Audit Committee of the Board of non-audit services performed by the Company's independent auditors. Non-audit services are services other than those provided in connection with an audit review of the financial statements. During the period covered by this filing, all audit-related fees, tax fees and all other fees, and the services rendered in connection with those fees, as reported in the table shown above, were approved by the Company's Audit Committee.

The Audit Committee considered the fact that Marcum LLP has not provided non-audit services to us, which the committee determined was compatible with maintaining auditor independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. Based solely on our review of the copies of the forms received by us and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that, during the year ended December 31, 2013, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements.

TRANSACTION OF OTHER BUSINESS AT ANNUAL MEETING

As of the date of this proxy statement, the Board is not aware of any matters other than those set forth herein and in the Notice of Annual Meeting of Stockholders that will come before the Annual Meeting. Should any other matters arise requiring the vote of stockholders, it is intended that proxies will be voted in respect thereto in accordance with the best judgment of the person or persons voting the proxies.

FUTURE STOCKHOLDER NOMINATIONS AND PROPOSALS

In order to be included in Professional Diversity Network's proxy materials for the 2015 annual meeting of stockholders, any proposal must be received by June 3, 2015 and otherwise comply with the requirements of Rule 14a-8 of the Exchange Act.

In addition, Professional Diversity Network's bylaws establish advance notice procedures with regard to stockholder nominations for the election of directors or other business to be properly brought before an annual meeting. For nominations or other business to be properly brought before the meeting by a stockholder, a stockholder must provide written notice delivered to the Secretary of Professional Diversity Network not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding annual meeting.

However, in the event that the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after the one year anniversary date of the prior year's meeting, a stockholder must provide written notice of any stockholder nominations for the election of directors or other business to the Secretary of Professional Diversity Network not earlier than the close of business on the 120th day before the date of the annual meeting and not later than the close of business on the later of (i) the 90th day prior to the annual meeting or (ii) the tenth day following the day on which a Public Announcement (as defined in Professional Diversity Network's bylaws) of the annual meeting was first made.

The notice must contain specified information and representations concerning the stockholder (and the beneficial owner, if any, on whose behalf the nomination or proposal is made), the nominee(s) or other business.

All notices of nominations or proposals by stockholders, whether or not to be included in the Company's proxy materials, should be sent to Professional Diversity Network, Inc., 801 W. Adams Street, Suite 600, Chicago, Illinois 60607, Attention: Secretary. A copy of the full text of the bylaw provision discussed above may be obtained by writing to the Secretary of Professional Diversity Network.

The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any nominations or proposals that do not comply with these and other applicable requirements.

Because the Company did not have timely notice of any other matters to be brought before the Annual Meeting, the enclosed proxy card confers discretionary authority to vote on any other matters that may be presented at the meeting.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

SEC rules permit registrants to send a single Notice to any household at which two or more shareholders reside if the registrant believes they are members of the same family. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces the expense to the registrant. The Company has not implemented these householding rules with respect to its record holders; however, a number of brokerage firms have instituted householding which may impact certain beneficial owners of Common Stock. If your family has multiple accounts by which you hold Common Stock, you may have previously received a householding notification from your broker. Please contact your broker directly if you have any questions, require additional copies of the Notice, or wish to revoke your decision to household, and thereby receive multiple Notices. Those options are available to you at any time.

Voting Procedures

All matters specified in this proxy statement that are to be voted on at the Annual Meeting will be by written ballot. One or more inspectors of election will be appointed, among other things, to determine the number of shares outstanding and the voting power of each, the shares represented at the Annual Meeting, the existence of a quorum and the authenticity, validity and effect of proxies, to receive votes or ballots, to hear and determine all challenges and questions in any way arising in connection with the right to vote, to count and tabulate all votes and to determine the result.
